Dear Parent/carer

## Re: Parents' workshop

We would like to invite you to a parents workshop to find out more about changes to testing, assessment and the new National Curriculum.

This will take place in Ruby room on Wednesday 25<sup>th</sup> November at from 3.15pm – 4pm.

Parents and carers will have the opportunity to ask questions about the national changes to assessment and will find out how this affects pupils at Whitefriars secondary section.

I look forward to see you on Wednesday.
