Dear Parent/Carer

Re: Photos

Our innovative educational provision includes the use of cameras and videoing technology. Furthermore we often use photographs in our newsletters and on our website to publicise and celebrate the achievements of our children. Finally we sometimes use student photographs for publicity, for example in our prospectus that is sent to prospective parents. This use of student photographs is fully in line with our comprehensive safeguarding policy.

If you feel that you would not like your son/daughter to have their photograph taken for the above purposes then please could you inform our school office at: office@whitefriars.harrow.sch.uk by Monday 14th September.

Please do not hesitate to contact me with any queries.

Yours sincerely

Mr Jonathan Watson
Deputy Headteacher
