Dear Parent/Carer,

Re: Cooking Ingredients – Year 9

As part of the Design Technology curriculum, year 9 students will be learning to cook a variety of dishes in the Summer term using a range of ingredients. If you would like your son/daughter to bring their finished products home then we are kindly asking for a £10 contribution to cover the cost of these ingredients. Please pay this via ParentPay as soon as possible, at the latest by Friday 21st December 2018.

If you son/ daughter is new to the school, please could you also let the school office know if your son/daughter has any food allergies and if they are vegetarian or vegan. Please could you do this by returning the slip below to the office as soon as possible, at the latest by Friday 21st December 2018.

Please note that any meat used will be **halal**. Please do not hesitate to contact me with any queries.

Yours sincerely
